**Department of Beaches and Harbors:** Santos Kreimann, Director; Kerry Silverstrom, Chief Deputy; Gary Jones, Deputy Director; Charlotte Miyamoto, Chief of Asset Management Division; Catrina Love, Senior Marketing Analyst, Community and Marketing Services Division.

**County:** Thomas Faughnan, Principal Deputy County Counsel; Sergeant Anthony Easter, Sheriff's Department.

**Call to Order and Pledge of Allegiance:**

Chair Lesser called the meeting to order at 10:05 a.m. followed by the Pledge of Allegiance.

**Approval of Minutes:**

Jon Nahhas commented on the slip vacancy report.

Mr. Jones shared that the slip vacancy report is published on the Department's web site monthly and that the March report will be uploaded soon.

Chair Lesser asked staff to include the vacancy report in every meeting and asked for a motion to approve the minutes.

**Motion to approve by Commissioner Rifkin, seconded by Commissioner Alfieri, unanimously approved.**

**Item 3 – Communication from the Public:**

John Rizzo commented on the excessive number of police in the meetings, the repair or remodel of the seawalls, and that it was not disclosed to the public that public funds were used for the repair.

Mr. Jones shared that the maintenance work on the seawall began with the cathodic protection system using public funds, and that there was no immediate damage to the seawall.

William Vreszk complained of the air quality problems of the Del Rey Shores demolition.

Chair Lesser said there are laws to govern construction sites.

Mr. Faughnan asked if Mr. Vreszk had notified the Department. Mr. Jones said that this is first time the Department heard of the complaint.

Chair Lesser asked the Department to send staff to check it out and notify the lessee about the complaint.

Ms. Miyamoto advised that a contact number is posted at the construction site for people to call in about any concern or complaint.

Jon Nahhas commented on boat slip vacancies.

Chair Lesser said the demand for non-necessities such as slip rentals and vacation rentals have dropped as a result of a slow economy.

**Item 4a - Sheriff Regular Reports**

Sergeant Easter responded to the comment on the number of police present at the meetings. He reported on live-aboards and that crime remains relatively low.

**Item 4b – Marina del Rey and Beach Special Events Report**

Ms. Love provided the report.

The Commission asked that an update on the bike path be provided.

Chair Lesser commented some of the events mentioned in the report had passed and suggested staff plan ahead.

**Item 6a – Proposed County Code Revisions to Title 2, Administration and Title 19, Airports and Harbors**

Ms. Silverstrom gave the presentation. She confirmed that this document was a draft and comments from the public were welcomed. The Sheriff's Department and the Department of Boating and Waterways will be reviewing the document.

Commissioner Rifkin asked if there will be an amendment of fees and asked whether the fees will be sufficient to administer the changes proposed.

Ms. Silverstrom spoke about the fees assessed for use of Beaches and Harbors property.

Commissioner Rifkin asked if any additional fees were to be added.

Ms. Silverstrom responded there will not be any new fees assessed.

Commissioner Rifkin suggested the Department contact the City of Los Angeles, who successfully passed an overnight parking ordinance, for advice on how to contend with overnight parking issues at County beaches.

Jon Nahhas commented on the document.

Chair Lesser informed Jon Nahhas that his time was up and suggested he submit additional comments in writing.

Commissioner Rifkin questioned how pre-registration at the transient docks worked.

Ms. Silverstrom explained the intent of the proposed language and stated that she will change the wording to better reflect its purpose.

Commissioner Lumian asked Ms. Silverstrom if the revisions were in response to immediate problems or preceding problems.

Ms. Silverstrom stated it was a response to things that have occurred in the past. The revision is also to clarify and correct the ordinance that hasn't been revised for a long time.

Commissioner Lumian asked about the change to the pollution fee on page 6.

Ms. Silverstrom replied the violation was elevated to a misdemeanor charge.

Commissioner Lumian stated that the fee was a lot lower than the Federal fines. He also asked if the stated fee was in addition to the Federal fines.

Mr. Jones confirmed that the fee is in addition to the Federal fine.

Commissioner Lumian asked if any enforcement of pollution violations occurred in Marina del Rey last year.

Ms. Silverstrom replied none were reported. She also spoke of the benefits of having enforcement handled by County staff.

Commissioner Lumian asked about the jurisdiction of the items and whether they include the area south of the harbor entrance.

Sergeant Easter talked about the jurisdiction area and that an MOU was in place with the Coast Guard to provide local services.

Ms. Silverstrom spoke about the issues related to the area at the mouth of Ballona Creek.

Ms. Silverstrom said the Department would like to receive any comments, thoughts and public input before finalizing the document for presentation to the Board.

**Item 7a – Staff Report**

Mr. Jones delivered the staff report.

Jon Nahhas asked the Department to notify boaters on matters presented to the Board for approval and spoke about the upcoming Coastal Commission meeting in Marina del Rey.

Commissioner Lumian spoke of information received from the International Boating and Water Safety Summit. He also passed out brochures.

Chair Lesser thanked Commissioner Lumian for providing the information.

**Adjournment**

Chair Lesser adjourned the meeting at 12:00 p.m.

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF AMENDMENT NO. 1 TO LEASE NO. 76494 TO EXTEND THE  
TERM AND ALLOW FOR TERMINATION UPON MUTUAL AGREEMENT  
SANTA MONICA WINDJAMMERS YACHT CLUB  
(PARCEL 47 AT 13589 MINDANAO WAY)-MARINA DEL REY  
(FOURTH DISTRICT) (4 VOTES)**

**SUBJECT**

This Board letter requests approval of a Marina del Rey lease amendment for Parcel 47 (Santa Monica Windjammers Yacht Club) that extends the lease term, allows the option of cancellation of the lease by the Club and the Director and authorizes the Director to extend the lease term.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the proposed Lease Amendment No. 1 to Lease No. 76494 is categorically exempt under the California Environmental Quality Act pursuant to Class 1(r) of the County's Environmental Document Reporting Procedures and Guidelines.
2. Approve and authorize the Mayor of the Board to sign the attached Amendment No. 1 to Lease No. 76494 that adjusts the lease term from five years to eight years ending March 24, 2016, allows early termination of the lease and authorizes three extension periods of one year each to the lease.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

On March 11, 2008, your Board approved a five-year lease that allowed the Santa Monica Windjammers Yacht Club (Yacht Club) to occupy its current facility. As the lease presumes the County will accommodate the Yacht Club in a replacement facility in the proposed expansion of Chace Park, yet the expansion project is not currently scheduled, the Yacht Club and the Department of Beaches and Harbors (Department) have agreed on a three-year extension so the lease will expire on the day preceding the eighth anniversary or March 24, 2016.

Additionally, the Department and the Yacht Club have agreed to amend the early termination provision in the lease so it is effective only when both parties mutually agree to terminate the lease.

Finally, Amendment No. 1 also authorizes the Department Director the option to further extend the lease term for three periods for one year each.

### **Implementation of Strategic Plan Goals**

The recommended action will allow the lessee to remain in its present leasehold to serve Yacht Club members, which will result in fulfillment of Goal 3, "Community and Municipal Services", Strategy 1, "Cultural and Recreational Enrichment". The action will also allow the County to develop its economic plan to expand and enhance Chace Park, including developing a replacement facility for the Yacht Club, which will result in fulfillment of approved Strategic Plan Goal 1, "Operational Effectiveness", Strategy 1, "Fiscal Sustainability".

### **FISCAL IMPACT/FINANCING**

There will be no fiscal impact from your Board's approval of Amendment No. 1.

#### **Operating Budget Impact**

There will no operating budget impact as a result of this action.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The existing lease expires on March 24, 2013. The leasehold premises consist of a yacht club facility and docks, and include land, water and improvements shown on Exhibit A (the "Premises Outline") of the existing lease. The Club will continue to rent the building from the County, and the County will continue to manage the parking lot, the promenade and other exterior areas not included in the Premises Outline.

Entering into leases of the County's Marina del Rey real property is authorized by Government Code Sections 25907 and 25536.

The existing lease provides for an early termination upon the County developing a replacement yacht club facility and the commencement of the lease for the facility. The Yacht Club and the Department agree to clarify the intent of the early termination provision so it would only be effective upon the mutual election of the parties.

This Amendment has been approved as to form by County Counsel. At its meeting of \_\_\_\_\_, the Small Craft Harbor Commission endorsed/rejected the Director's recommendation that your Board approve and execute the Amendment.

### **ENVIRONMENTAL DOCUMENTATION**

Approval of the recommended actions is categorically exempt under the California Environmental Quality Act pursuant to Classes 1(r) of the County's Environmental Document Reporting Procedures and Guidelines. Approval does not authorize construction or reconstruction of any improvements on the parcel.

The Honorable Board of Supervisors  
August \_\_, 2011  
Page

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

There will be no impact on current services from your Board's approval of this Amendment.

**CONCLUSION**

Please have the Mayor of the Board of Supervisors sign all three copies of Amendment No. 1 and have the Executive Officer of the Board return two executed copies to the Department of Beaches and Harbors for distribution and one copy of the Board letter.

Respectfully submitted,

SANTOS H. KREIMANN  
Director

**Item 5A - Parcel 125I Marina City Club - DCB #10-016B**

Peter Dzewaltowski presented the staff report for the Marina City Club promenade improvement project.

Barbra Schroeder, Gegam Burnazyan and other lessee representatives summarized the previous presentation to the DCB and the discussed the revised design and landscaping proposal.

Mr. Abelar asked questions about the width of the promenade, whether the cobblestone would create accessibility problems and whether walkway lighting would be available. Gegam Burnazyan responded that certain areas of the walkway would be increased by approximately five to eight feet, to the minimum of 12 feet, the walkway will not impede access, and walkway and gates will be illuminated.

Ms. Jubany commented on the lack of shade structures.

Mr. Phinney joined the Design Control Board Meeting at 1:20 PM.

Gegam Burnazyan stated that many options of shade structures and shade trees had been considered but all would block views of the apartment.

Mr. Abelar questioned whether the landscaping around the benches would create problems. The applicant stated that low-maintenance landscape species were selected and did not anticipate impacts to marina.

Paul Wong stated depending on the plant selection and design, the landscape areas could catch storm water, like a bio-swale, consistent with BMPs being implemented by the Department of Public Works that address water quality issues.

Ms. Jubany asked for other public comments and hearing none, the Public Comment was closed.

Paul Wong proposed that the DCB could grant approval subject to the Applicant submitting a shade structure design to the staff if this is the only remaining concern.

Mr. Phinney commented on the design options and noted he prefers the sail-like design and favors any solution that is architectural but he is not opposed to not having shade structures after hearing the drawbacks.

Mr. Abelar expressed concern that the design of the shade structure looks like a bus stop. And he, too, did not object to not have shade structures.

Ms. Jubany stated the board was in concurrence with the landscape, hardscape and fencing and would approve the project except for the absence of shade structures. She added that if the applicant returned with either options 1 or 4, the DCB would find the proposal acceptable.

Paul Wong stated that he and his staff could work with the Applicant to meet the board's approval.

**Mr. Phinney moved to approve the project with the condition that the Applicant work with staff to establish an appropriate shade structure, based on either option 1 or option 4, as presented. Seconded by Mr. Wong, motion was approved unanimously.**

**6. New Business  
Item 6C - Status of Fishermen's Village - Parcel 56**

Gary Jones asked for the new business items to be heard out of order. Mr. Phinney and the Board agreed and took up item 6C - Follow Up Report on Fisherman's Village, Parcel 56.

Gary Jones summarized the DCB's request in January and provided a report.

Michael Pashaie provided an update on the Fisherman's Village's redevelopment status. On the current condition, Mr. Pashaie stated that other than the space vacated by the Angler's Choice, the Fisherman's Village is fully leased.

Jill Peterson provided a quick tenancy report at Mr. Phinney's request.

Mr. Abelar asked why the kiddie rides were removed. Jill Peterson stated that the kiddie rides were outdated and have caused accidents and the lessee decided to replace them with bike racks.

Mr. Abelar asked if other children's play facilities would be considered and whether the removal of the equipment negatively impacted the community. Jill Peterson stated that similar amenities will be maintained and that family events like weekend concerts were regularly provided. Michael Pashaie stated that a new operator with safer ride equipment would be installing rides on the site.

Mr. Phinney asked Jules Doyle from Café al Fresco to provide his statement.

Julian Doyle restated his January comments wants the arcade and more retail stores.

Mr. Phinney asked for other public comments, hearing none, public comment was closed.

Mr. Wong stressed that the aesthetics of the built components of the Marina should be of the highest quality possible considering the current economic obstacles to maintaining high tenancy.

Mr. Phinney thanked Mr. Pashaie for attending the DCB meeting,

#### **Item 6A - Design Control Board Review Process Discussion**

Peter Dzewaltowski presented the staff report and the origin of the DCB's mission in Title 22.

Mr. Phinney commented on the concurrent DCB/DRP review process. Mr. Kreimann and Michael Tripp commented on the 90-day time limit following the filing of a coastal development permit application for DCB action.

Mr. Kreimann noted that although the clock starts upon filing of a permit, the final decision is not made until Beaches and Harbors is satisfied with the development permit before an applicant may proceed to the Department of Regional Planning.

In response to an inquiry by Mr. Abelar regarding timing for temporary signs, Peter Dzewaltowski noted there is a 60 day limit, which consists of a 30-day approval time plus 30-day extension. He clarified for Ms. Jubany that these include the leasing signs.

Mr. Phinney asked if there were any public comments.

Mr. Riley commented on the DCB's willingness to look at ways to improve the approval process.

Mr. Phinney noted an improvement in the Board's willingness to work with lessees. He also suggested staff look into Santa Barbara's Historic District Commission's review process for helpful ideas.

Ms. Jubany asked why some lessees have to follow DCB guidelines in regard to signs, but not the County, and added whether there could be more consistency.

Peter Dzewaltowski stated that around 1995 the County went through a process where a coordinated identification sign program for Marina and County signs was formulated.

Gary Jones said he would look into that matter and provide an update at a later date.

**Item 6B - Presentation of the Department of Beaches & Harbors Strategic Plan - 2011 to 2013**

Santos Kreimann presented the Strategic Plan report.

Mr. Tony Wong asked how the public may make comments and what is the status of the master plan.

Mr. Kreimann stated that most public concerns would be satisfied and that the strategic plan is easily accessible online.

Mr. Tony Wong noted that the Department's role had improved despite past criticism from the public.

Ms. Jubany asked when visioning of the Marina would take place.

Mr. Kreimann said specific details have not yet been vetted; the Department's focus has been on the map and text amendment project and completion of Phase II development within the Marina.

Michael Tripp stated that the vision process is required within five years from the September 2009 Board of Supervisors approval. He added that the visioning process is also intended to create the Marina's master plan.

Mr. Kreimann added that the visioning process would be similar to the one that took place in 1995, when the LCP as it exists now, was amended.

Mr. Phinney asked for other public comments, hearing none, Public Comment was closed.

Mr. Phinney asked about a comment link on the website. Mr. Kreimann said the Department's website allows the public to provide feedback on any matter.

**7. Staff Reports**

**Item 7A - Temporary Permits and On-Going Activities Report**

Paul Wong gave the report on the temporary signage.

Paul Wong continued to **Item 7B - Ongoing Activities Report.**

On **Item 7C - Marina del Rey special events**, Paul Wong suggested the Board accept the report for file. All reports were received and filed.

**8. Adjournment**

**Mr. Tony Wong moved to adjourn at 3:30 PM. Seconded by Ms. Jubany, motion was approved unanimously.**

Respectfully Submitted,

Moses Feliz  
Temporary Sr. Secretary for the Design Control Board
